CORRECTION OF NOTICE OF NON-COMPLIANT AMENDMENT (37 C.F.R. §1.121)

Commissioner for Patents  
P.O. Box 1450  
Alexandria, Virginia 22313-1450

Date: May 27, 2005

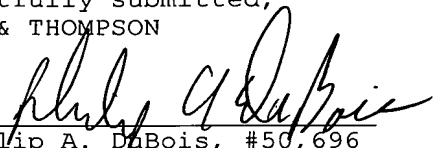

Sir:

It is respectfully requested that the attached corrected section of the non-compliant amendment be made of record in the U.S. Patent and Trademark Office. The Notice of Non-Compliant Amendment mailed on May 12, 2005 indicated that the amendment previously filed on March 24, 2005 for the above identified application was incorrect, namely, the status identifier used in claims 24 and 39-43 was recited as "previously presented". The notice stated that the correct status identifier should be "withdrawn". As a result, claims 24 and 39-43 have been amended to indicate that they have been withdrawn. We submit herewith the corrected "Amendments to the claims" section of the non-compliant amendment. Note that only the corrected section of the non-compliant amendment must be resubmitted, in its entirety, as outlined under 37 CFR § 1.121(h).

Since Applicant has responded within one month from the date of the Notice, no additional fees should be required. However, if deemed necessary, the Commissioner is authorized to charge any additional fees to Deposit Account No. 25-0120.

Respectfully submitted,  
YOUNG & THOMPSON
